

TIRED OF MESSY SHAVING ROUTINES?

Drop the razor and choose laser hair removal using our FDA approved device - Cutera HR.

It's great for any area of the body where you have unwanted hair. This treatment results in a permanent reduction and thinning of hair, making hair finer and lighter. Laser hair removal is safe for all skin tones and is a great option if you suffer from stubborn hyperpigmentation and razor bumps. Schedule your visit today!

JAWLINE DEFINITION

LOOKING FOR EXTRA HELP TO SMOOTH ELBOWS, KNEES AND FEET?

We all want smooth skin for sandal season and shorter clothes. Start now by conditioning your skin to look it's best.

AHA/BHA

AHA/BHA lifts dryness and helps with hyperpigmentation, available in a cream or gentle cleanser with exfoliating beads (available at Downtown Dermatology or practice website).

AmLactin Ultra Smoothing

AmLactin Ultra Smoothing gently softens skin and gently exfoliates.

CeraVe Healing Ointment

CeraVe Healing Ointment uses ceramides and an ointment base to seal in hydration to help promote a healthy skin barrier and normal tone.
