

## November is Healthy Skin Month!

November is National Healthy Skin Month—the perfect time to show your skin some extra care. As the weather cools, remember to:

- Moisturize daily to prevent dryness.
- Wear sunscreen—yes, even in fall and winter!
- Check your skin for new or changing spots.

Healthy habits now can keep your skin glowing all year long. If you notice anything new or have concerns, please bring it to our attention today!

## Introducing TheraClearX — A Breakthrough in Acne Treatment!

We're excited to share a new option for clearer, healthier skin! TheraClearX is an advanced acne treatment that targets the root causes of acne using gentle vacuum and light therapy. This combination helps unclog pores, reduce oil, and calm inflammation—without harsh chemicals or downtime.

Whether you're dealing with teen acne or adult breakouts, TheraClearX offers a comfortable, quick, and effective solution for all skin types. Most patients notice visible improvements after just a few treatments!

If you've been frustrated with traditional acne therapies, now's the time to try something new. Schedule your TheraClearX consultation with us today!

## National Botox Day - November 19th

Bring in, **in date**, non-perishable food items or canned goods, to donate to our neighbors in need by November 25th, and be added to a drawing for a HydraFacial or Chemical peel with Kourtney, or 20 Botox units with Dr. Hicks-Graham.
